PROFESSIONAL SUMMARY

Frontend Web Developer with hands-on experience building responsive, accessible websites with HTML, CSS, and JavaScript. Built projects focused on clean, maintainable code and improving user experience. Currently sharpening JavaScript skills to create more dynamic and interactive web interfaces. Seeking a frontend role at a product-driven company that values user-centered design, collaboration, practical problem-solving, and continuous learning.

EXPERIENCE

Frontend Development Tutor

Aug 2025 - Present

Dot Campus Africa, Nigeria

- Helped beginners move from zero to building real projects with HTML, CSS, and JavaScript through practical lessons and guided exercises.
- Taught not only what to code but also how to debug, use developer tools, and approach problems independently.
- Adapted lessons to each learner's pace and style, making concepts easier to understand and apply in coding scenarios.

Frontend Development Trainee

Oct 2024 - Apr 2025

Dot Campus Africa, Nigeria

- Completed a 6-month self-paced training program in frontend development covering HTML, CSS, and JavaScript.
- Built practical projects applying responsive design and accessibility best practices.
- Practiced version control and deployment with Git, GitHub, and Vercel to ensure maintainable code and clean workflows.

TECHNICAL SKILLS

Frontend Development: HTML, CSS, JavaScript

Version Control & Deployment: Git, GitHub, Vercel

Debugging and Testing: Chrome DevTools

PROJECTS

NurtureNest (HTML, CSS, JavaScript)

- Designed and developed a responsive website for a fictional childcare center to create a warm, calming, and trustworthy experience for parents exploring early learning options. Alongside the public-facing site, built a custom admin dashboard prototype for staff to manage enrollments, daily attendance logs, and content updates.

Ilisabawn (HTML, CSS, JavaScript)

- Developed a multi-page, responsive website for a custom handmade shoe brand to highlight craftsmanship, premium design, and a seamless customer journey. The site features an intuitive layout that allows users to browse collection, view pricing, place orders, and engage with the brand effortlessly across devices.

EDUCATION

Bachelor of Engineering, Metallurgical And Materials Engineering
Nnamdi Azikiwe University Awka, Anambra State, Nigeria

Nov 2011 - Nov 2019
